Alabama School Placement Law Held Valid By Highest Court

WASHINGTON (AP)—The Supreme Court today ruled that Alabama's school placement law is valid on its face.

It upheld a decision by a special three-judge U.S. District Court in Alabama. Parents of four Negro children in Birmingham had challenged the placement law and appealed to the Supreme Court to review and reverse the special court.

Depends On How Administered
In a brief order, the Supreme Court said it affirmed the special court judgment "upon the limited grounds on which the District Court rested its decision."

In upholding the Alabama law, the special court said it "furnishes the legal machinery for an orderly administration of the public schools in a constitutional manner by the admission of qualified pupils upon a basis of individual merit without regard to their race or color."

Motorists planning to drive over the Thanksgiving weekend were urged today to take all of the necessary safety precautions to make it a trip "to be thankful for" instead of a tragedy.

The Gettysburg Motor Club pointed out that this is the time of the year when weather changes fast and suddenly and cautioned motorists to be certain they are prepared for the worst before leaving on any Thanksgiving trips.

Check your tires, be sure they have good tread. Make sure your windshield wipers are in good condition and in working order to assure you good visibility.

As an added precaution, in cases of any doubt, motorists are urged to check road conditions along their proposed route before starting out on extended drives.

This can be a happy season, and the Thanksgiving holiday should be one of joy. Careful drivers will make it so; careless drivers can bring only grief.

WGCT PROGRAM WILL FEATURE THANKSGIVING

Thanksgiving, one of the special holidays of the year, will be the subject of the program "The College Speaks" to be presented Tuesday morning at 8:30 o'clock over radio station WGCT. Dr. Francis Mason, professor of English at the college, will read several literary selections which can be associated with the time and spirit of Thanksgiving. "This will not be," Dr. Mason said, "the typical presentation of trite works about Pilgrims and turkeys. I will endeavor to call attention to the deeper, the more meaningful reasons for taking time out each year to be thankful."

Dr. Mason will read the works of authors "in a way which gives to each listener a new understanding of the work being presented, whether it is a newly-discovered piece or an old favorite."

Program On Friday

Friday's program will be presented by the education department of the college with Dr. Russell S. Rosenberger, head of the department, as the moderator. In this program, the aims of teaching college students the problems of secondary schools will be explained. This department is important in view of the increase in the number of school children, and the greater challenge being made upon teachers. Those who have children in school now, or will have children in school in the future will be specially interested in this program.

DeGaulle Wins Handily In Elections In France

PARIS (AP) — Premier De Gaulle, without having lifted a finger in the campaign, won another strong endorsement from the French people in first-round voting Sunday for the new National Assembly.

With many candidates trying to ride De Gaulle's coattails, outright foes of the Premier made the poorest showing. A strong rightist swing was accompanied by a Communist decline, though the anti-Gaullist Communists were still the strongest single party. Red chieftain Jacques Duclos faced a stiff fight in the runoff next Sunday.

Swamp Old Foes

The De Gaulle tide swamped such non-Communist foes as former Premier Pierre Mendes-France and Maurice Bourges-Maunoury. Both lost their Assembly seats on the first ballot.

It boomed to second rank — after the Communists — a brand new Gaullist party, the Union for the

Red Vote Shrinks

The Communist percentage compared with 25.6 in the last general election of 1956, and the Red popular vote compared with their peak strength of 5 1/2 million votes in 1946. They held 142 seats in the old Assembly.

Projection of the trend could cut the Communists to below 30 seats. De Gaulle lent his name officially to none of the candidates. But with issues few, candidates of all stripes grabbed his coat of arms as the most attractive thing in sight.

Benefiting most was the empire-minded Soustelle, who helped boost De Gaulle back to power last May during the rightist rebellion in Algeria.

ROCKEFELLER AND NIXON IN ACCORD TALKS

WASHINGTON (AP) — Vice President Nixon and Nelson A. Rockefeller apparently have reached an understanding to avoid stepping on each other's political toes until 1960.

A weekend conference here between the vice president and the Republican governor-elect of New York produced an informal agreement pointed publicly at cooperation between them in rebuilding the GOP from its heavy election this year.

Rockefeller endorsed a thesis Nixon first advanced in October—that the party will be best served if it develops a number of men of national stature as possible presidential nominees for 1960.

NIXON AIMS FAMILIAR

While Nixon makes no secret that he wants that nomination, Rockefeller said he is interested only in doing a good job as governor of New York. Asked if this wasn't the best way to run for president, Rockefeller only grinned.

Rockefeller's statement that he intends to confine his activities to New York was taken as assurance he will not personally interfere in the spade work Nixon's supporters are engaged in elsewhere.

Nixon, on the other hand, obviously is not going to intrude in New York, where Rockefeller is expected to have control of the largest of the state delegations to the convention two years from now.

Won't Help Stassen

It also seems implicit in the understanding between the two men that Rockefeller will not lend his support to any stop-Nixon move such as Harold E. Stassen is trying to get off the ground.

Stassen, a former aide to President Eisenhower, pointedly omitted Nixon's name and included Rockefeller's in a personal listing of possible candidates for the 1960 GOP nomination.

In response to a question, Rockefeller said it seemed so obvious Nixon's name belongs on any list of prospects "that it hardly needs my comment to reassure him."

Failed in 1956

Stassen tried without success to dump Nixon from the GOP national ticket in 1956.

Sen. Barry Goldwater (R-Ariz.), who won re-election this month in the face of a national Democratic sweep, said Nixon is "my candidate" now for the presidential nomination.

Goldwater said in a radio-TV interview that Rockefeller should receive consideration in 1960 if he does a good job as governor and, as Goldwater put it, doesn't "take up the radical cry of the Democrats."

40 MEET WITH STASSEN ON PENNA. PLANS

HARRISBURG (AP) — Harold Stassen has a group of central Pennsylvania Republicans working with him today in his bid for a prominent position in the state GOP picture.

He and some 40 persons from the area met Saturday at the home of Edward Howard, central Pennsylvania coordinator for Stassen's unsuccessful primary campaign for the party's gubernatorial nomination. The others attending were not identified.

Howard said afterward the group planned to organize and enroll people to unify the liberal element within the party.

"A Negative Thing"

Those attending the meeting, he said, were concerned with the turn the situation has taken concerning Stassen's activities in boosting candidates for the GOP presidential nomination.

"Unfortunately," he said, "people have come to identify the movement as a negative thing."

This was a reference to Stassen's remarks earlier this month in which he listed four men he considered possible GOP presidential candidates but did not include Vice President Nixon.

It interpreted as the start of a new drive by the onetime governor of Minnesota and former disarmament adviser to President Eisenhower to stop any Nixon bid for the nomination. In 1956 Stassen worked unsuccessfully against Nixon's renomination for vice president at the GOP nominating convention.

Stassen said the central Pennsylvania group asked him to be their leader. The group's aims are "to follow through and rebuild the Republican party in Pennsylvania and take an active part in building a strong delegation to the national (nominating) convention (in 1960) in the interest of boosting qualified men for the Republican presidential nomination," he said.

HERSHEY WINS WITH 2 GOALIES

By THE ASSOCIATED PRESS

Hershey is the only American Hockey League team with two regular goalies. And it's paying dividends during the Bears' drive to overtake the leading Buffalo Bisons.

Last night, goalie Gil Mayer of the Bears was forced to leave the game in Springfield early in the second period. Mayer was hit on the bridge of the nose.

Under ordinary conditions, Hershey would have been forced to use a spare netminder provided by the home team. But the Bears are carrying Bobby Perrault, who they acquired from the Quebec League.

Perrault did a fine job and Hershey went on to win 5-3. Arnie Kullman scored two third period goals for the winners.

The fast-climbing Bears moved to within four points of the leading Buffalo Bisons, who were defeated by Cleveland 3-2. In the other game, Harry Lumley registered his second straight shutout as Providence beat Rochester 4-0.

SEE THE FIRST EXCITING SHOWING of the 1959 Lincoln Look and the incomparable Continental Mark IV

Today, forget every motorcar you've ever owned and take a long, long look at Lincoln. Here is timeless beauty struck into metal and glass. The lines are lean and lasting, the interiors unbelievably luxurious, and certainly the largest of any car this year. The sure and sudden response of the engine, the incredible handling ease, just the joy of owning a Lincoln are all good reasons for wishing to make it yours. But, practically, as well, its ageless beauty and remarkable sturdiness make it your wisest, fine car investment. The Continental Mark IV is, of course, beyond words. See them both now in our showrooms.

Bullets Put On Strong Finish To Top Diplomats 32-13 In Series Windup

Gettysburg College (7-1-1) ended its football season and 61-year rivalry with Franklin and Marshall (5-4) on a sweet note when it rallied in the third quarter to score three touchdowns in five minutes and 15 seconds to go on to down the valiant Diplomats, 32-13.

Trailing by 13-6 score in the early minutes of the third quarter, Coach Eugene Haas' charges sprang loose George Greiner on a beautiful 97-yard touchdown run. There weren't any among the 5,500 spectators who didn't know that Greiner was on his way by the time he hit the midfield stripe as he took the ball on his own three, out to his right behind beautiful blocking at his 20, and raced down the right sideline. At the 40 he put on a burst of speed that had him in the clear at the 50. The touchdown came at 4:40.

That apparently was the spark the Bullets needed to overcome a hard hitting Franklin and Marshall team. The Diplomats had a big edge in the first half and Gettysburg was fortunate to get away with a 6-6 tie at intermission.

Davidcock Intercepts
Dick Davidcock, a Stevens Trade grad, followed Greiner's dash with one of his own when he intercepted a pass of Tom Kirkup in the flat and raced 71 yards for another score in 8:45 of the third quarter. Dick Davidcock passed to Harvard Hicks for two points.

Stravolo kicked off, following the score, to Ray Drake on the Diplomats seven. Drake brought the ball back to the home team's 37 where he was met with a vicious tackle by Marty Hoffner. The ball squirted out of his arms and Clem Valko hopped on it and Gettysburg was off to another score.

Greiner picked up two at center and Davidcock added three more but F. and M. drew a 15-yard personal foul penalty which moved the ball to the home team's seven. On the first play Davidcock drove through center for the touchdown in 9:55. A pass from Greiner to Jim Flood, caught out of the end zone was ruled no good by officials.

That was the ball game. The suddenness of the three scores took all the fight out of the stubborn Diplomats who had threatened to upset Gettysburg earlier.

For posterity, Gettysburg scored again after Flood intercepted a Kirkup aerial and returned it to the F. and M. seven but the Bullets were set back to the home team's 35 for clipping.

Flood, on a quick pitchout, raced around right end for 23 to the 12. After Davidcock lost two, Stravolo passed to Greiner to the five. Greiner and Davidcock advanced the ball to the one from where Stravolo sneaked over in 10:50. A pass attempt for two extra points was no good.

First Quarter
Gettysburg won the toss and elected to receive. In four plays, the Bullets were unable to move and Stravolo punted to John Be-trone on the F. and M. 26 and he returned to the 30. After a five-yard penalty against the Dips, Darrah gained four at left tackle. Be-trone suffered a lacerated nose on the play and was removed from the game.

Quarterback Fred Hesse, who kept the Bullets off balance the entire first half, directed his team down the field to the Gettysburg 31 where the Bullets held and took over.

At the end of the first quarter, F. and M. was on the move again and had a second down and 18 on the Gettysburg 32 when the first period ended.

Coach Woody Sponaugle's proteges moved the ball to the Gettysburg 14 and a first and ten. John Kooser fumbled a lateral on the next play and Ron Tukloff recovered for Gettysburg on the 24.

The Bullets were still misfiring and Stravolo punted to Hesse on the F. and M. 38 where Yohn tackled him. In seven plays, the Diplomats moved to the Bullet 21, aided by a 15-yard personal foul penalty. Hesse scored on the next play in 7:45 when Lloyd Morgan planted a fine block on the last Bullet defender. A pass attempt for two points was incomplete.

Saturday's Score
Lehigh, 14; Lafayette, 14.

Gettysburg bounced right back on the strength of the best passing of the year by Stravolo. After Flood returned the kickoff to his own 31, the Bullets were able to move only three yards in four plays but a personal foul penalty against the home team gave Gettysburg a first down at midfield. A Stravolo pass play carried to the home team's 16 but a clipping penalty moved the ball to the 27. Stravolo passed to Davidcock for 13. Tukloff for two, and Olsen for 12 and a touchdown in 10:33. Harry Binger's placement attempt was wide to the left and the score was tied up at 6-6.

That was the end of the scoring for the first half although Franklin and Marshall kept possession of the ball and moved to the Gettysburg 28 at the halftime gun.

The win was Gettysburg's 31st as against 24 for Franklin and Marshall and six ties. Although the series has been terminated for the time being, it is the hope of many Gettysburg and Lancaster fans that in the coming years there will be a renewal.

The entire Gettysburg team played a good game but Marty Hoffner displayed his best game of the season. Center Dave Yohn and end Harvard Hicks were two more outstanding performers for Gettysburg. Hemmed in by an aggressive F. and M. line in the first half, the backs looked a lot better after intermission. Stravolo's passing was excellent.

Although outdistanced by a wide margin, the Bullets were in command of the game after the middle of the third quarter. The win gave the Bullets a fine record of seven wins, one loss (Lafayette), and one tie (Lehigh).

Seniors who played their final game include: Dave Yohn, Jules Prevost, Carl Schoenborn, Barclay Boyd, Marty Hoffner, Henry Coyne, Herb Payne, Arloe Olsen, Dick Stravolo, George Greiner, Ronald Venturini, Jim Flood and Harry Hinger.

Bowl Opponent For LSU Awaited

NEW ORLEANS (AP) — The Sugar Bowl marked time today, waiting for Saturday's games before announcing an opponent for Louisiana State in the Jan. 1 game.

Sugar Bowl President Claude M. Simons said teams under consideration to meet the Southeastern Conference champion and the nation's top team included Clemson, the Atlantic Coast Conference champion; Vanderbilt, ninth-ranked Air Force and Mississippi Southern, the powerful unbeaten and untied independent.

Simons said a Southern Methodist victory over Cotton Bowl-bound Texas Christian Saturday would greatly enhance SMU's chances of being invited.

SPANIARD AND IRISH GOLFER WIN ON SUNDAY

MEXICO CITY (AP) — The dramatic victory of an ignored Spaniard and an under-rated Irish man in the Canada Cup finals was called further proof the U.S. and British Isles no longer rule the golf world.

Not only did Angel Miguel win the individual world's championship and Ireland the team trophy Sunday, but a list of the leaders sounded like a United Nations roster.

"Golf is now really an international game," said Frank Pace, Jr., president of the sponsoring International Golf Assn.

Only once before, in 1955, had the matches ended so dramatically.

But as skies began to darken the Club de Golf Mexico Course, young Miguel and stocky, 45-year-old Harry Bradshaw of Ireland battled to an unexpected tie with 2-hole totals of 296.

Without rest, Miguel and Bradshaw went into a sudden-death playoff. They were even for two holes. On the 188-yard third, both sliced their drives into the spectators. Luckily, both balls bounced back into play on the green.

Miguel sank a spectacular 25-foot putt for a deuce, Bradshaw missed by inches and the Spaniard new world's golf champion, was mobbed by the excited fans.

Behind Miguel and Bradshaw came Flory Van Donck of Belgium with a 287; Miguel Sala, Colombia, 288; Eric Brown, Scotland, and Frank Phillips, Australia, 289; Leopold Ruiz, Argentina, 292; Harold Henning, South Africa, 293; and Chen Ching-Po, China, 293.

Spain was second in the team competition with 582, followed by South Africa 584 and Australia 588.

ARMY, NAVY PREPARE FOR GRID CONTEST

ANNAPOLIS, Md. (AP)—Army and Navy are showing a traditionally healthy respect for each other's football prowess as they prepare for their annual football battle at Philadelphia Saturday.

Steven Belichick, chief scout for Navy, calls the Cadets "the most explosive football team I've ever seen—much better and entirely different from the team we beat last year."

And Army's top scout, Dale Hall, said the Middies have a "tremendous" squad which could pose more of a threat to the Cadets than the one which won 14-0 last year.

Cites Dawkins
"Their passing attack is stronger than it has been, and is (half-back) Joe Bellino they have a greater individual threat," Hall sums up. "As a sophomore he has made mistakes, but he has made fewer and fewer and is one of the finest runners in the country if not the finest."

Belichick counters that Army halfback Pete Dawkins "is the finest all-around back I've seen in college football."

He says Dawkins is a great team leader—a "take charge" guy who sets the pace for the Cadets—a tremendous runner, good passer, good blocker.

But the strength of the undefeated Cadets runs much deeper than individual players, the Navy backfield coach says.

Both Can Pass
"This team has impressed me more than any others because they do many things well and are so explosive," he says. "They can kill you either passing or running."

This year Army is also a passing team—one of the nation's finest—and both Dawkins and Anderson take a hand in this along with quarterback Joe Caldwell.

Army scout Hall, considers Navy's passing attack, guided by junior quarterback Joe Tranchini, and the running of Bellino, on punt and kickoff returns as well as rushing plays, to be major factors for Army to stop.

CALIFORNIA, LSU CEMENT BOWL OFFERS

By ED CORRIGAN
Associated Press Sports Writer
Louisiana State and California, a couple of ragamuffin outfits last year that could win only half a dozen games between them, were high in college football's top society today preparing for important bowl assignments New Year's Day.

Last year, Louisiana State had a 5-5 record and finished seventh in the Southeastern Conference. This year, the Tigers have the only undefeated-untied record among the major teams of the country.

They'll be the hosts in the Sugar Bowl in New Orleans by virtue of having won their conference title. It will be their first bowl appearance since 1950 when they were slaughtered by Oklahoma 35-0 in the Sugar Bowl.

LSU swept past 10 opponents and didn't stumble once. They wound up their first undefeated-untied season since 1908 Saturday by grinding out a 62-0 victory over Tulane.

Their Sugar Bowl opponent may not be known until next Saturday when the last sprinkling of games are played. Southern Methodist is being considered, but the Mustangs will have to beat Cotton Bowl-bound Texas Christian. Otherwise, Clemson, the Atlantic Coast Conference champion, probably will get the bid.

As for California, the Bears compiled a miserable 1-9 record in 1957. They were consigned to the scrap heap in this the final year of the Pacific Coast Conference as it now stands.

California Underdog
But, after losing to College of the Pacific and Michigan State, they suddenly caught on to the split-T which Elliott had installed last year. They lost only one more game and wrapped up the title with a breathless 16-15 triumph over Stanford.

California will meet Iowa, the Big Ten champion, in the Rose Bowl, and, just as in almost all its games through the fall, will be the underdog. Iowa closed its regular season Saturday, whipping Notre Dame 31-21.

The Major Bowls
So here is how the major bowls shape up at the moment:
Sugar Bowl — Louisiana State (10-0) vs. opponent to be chosen, probably Southern Methodist or Clemson.

Rose Bowl—California (7-3) vs. Iowa (7-1-1).
Orange Bowl — Oklahoma (6-1) vs. Syracuse (8-1).
Cotton Bowl — Texas Christian (8-1) vs. opponent to be chosen, probably Air Force Academy.

W. Va. Loses
The Gator Bowl, which ranks practically even with the others, has a wide choice, but probably won't know until the Sugar and Cotton bowls are filled.

Syracuse and Texas Christian cemented bowl bids in their final games Saturday, while the Air Force Academy, according to Cotton Bowl officials, wants to wait until its game with Colorado this week before making a decision.

Syracuse whipped past West Virginia 15-12. Texas Christian won the 21-10 decision over defending champion Rice.

Champions in three other major conferences were settled. To the surprise of no one, Oklahoma trampled Nebraska 40-7 to win the Big Eight title for the 11th year. It also marked the 71st straight conference game without defeat for the Sooners.

Dartmouth Wins
Dartmouth won the Ivy League crown with a 21-12 victory over Princeton. Wyoming finished on top in the Skyline Conference by licking Brigham Young 22-14 and then accepted an invitation to play in the Sun Bowl.

Auburn, Army and the Air Force are the only undefeated but tied major teams. All still have one game to go. Auburn, on probation by the NCAA and ineligible to play in bowl games, goes against Alabama Saturday. Army plays Navy in the big service game in Philadelphia, and Air Force tackles Colorado.

Auburn stopped Wake Forest 21-7, and Air Force dumped New Mexico 45-7 while Army was idle Saturday.

kill you either passing or running."

Eagles' Defense Too Much For Brown

CLEVELAND (AP) — Although the Philadelphia Eagles are tied for last in the National Football League's Eastern Division, they've had some success containing Cleveland's explosive fullback, Jimmy Brown.

The Eagles limited Brown to 66 yards in 20 carries Sunday, his longest gain was nine yards. Sunday's gains raised Brown's league-leading rushing yardage to 1,229. He to has three more games to add to his yardage record which supplants the 1,146 yards Steve Van Buran gained for Philadelphia in 1949.

HAWKS WIN 2 UNDER 'EASY' MACAULEY

By THE ASSOCIATED PRESS
Now they know why they call Ed Macauley of the St. Louis Hawks "Easy Ed."

He finds it easy winning as a coach in the National Basketball Assn.

Since taking over from Andy Phillip last week, Macauley has guided the Hawks to two victories in as many games. They defeated Minneapolis 114-109 Saturday night and Cincinnati 100-89 in Sunday's nationally-televated game.

The Hawks, however, have been unable to gain ground on Detroit, runner-up to St. Louis in the Western Division. The Pistons turned back Minneapolis 124-109 Sunday night after beating Cincinnati 103-86 Saturday.

Last Second Rally
In another Sunday night game, Jack George's three points in the final 49 seconds gave the Philadelphia Warriors a 110-107 win over the Syracuse Nationals.

Bob Pettit and Clyde Lovellette shared scoring honors for St. Louis Sunday with 24 points apiece. Cincinnati now has won only two games in 11 starts.

George Yardley was the big man for Detroit Sunday night, scoring 34 points as the Pistons increased their second place margin over Minneapolis to two games. Rookie Elgin Baylor had 30 for the Lakers.

George scored 11 points in a final quarter rally for the Warriors. Red Kerr had 25 points for Syracuse.

In other Saturday night games, the New York Knickerbockers roared to their 10th victory in 11 starts — and eighth straight — by beating Syracuse 114-99, and Boston nipped Philadelphia, 105-100.

BRUINS AGAIN BEAT OLD FOE IN MONTREAL

By THE ASSOCIATED PRESS
Who says the Montreal Canadiens are invincible?

The perennial National Hockey League leaders are frustrated to day. They have reason to be.

The Canucks have been unable to win consistently at home, with only one victory in their last five games at the Forum. Maurice (The Rocket) Richard has been stopped three games in his bid to produce goal No. 600.

And now Montreal is having trouble with Boston. The Bruins whipped the Canucks for a third straight time Sunday night, 2-0.

The triumph enabled Boston to move to within one point of the leading Canadiens. Only four points separate the top club and the fifth - place Chicago Black Hawks.

Detroit Beats New York
In other games, the Detroit Red Wings turned back the New York Rangers for the fourth straight time, 3-1 and the Hawks and Toronto Maple Leafs played to a 3-3 tie.

Norm Ullman scored twice as the Red Wings cut short New York's unbeaten string at six games.

Ron Stewart's goal with 1:13 left enabled the Leafs to gain their second deadlock in two nights. They tied the Rangers 2-2 Saturday night. Ted Lindsay of Chicago was tagged with two major penalties and a misconduct penalty for fighting with Stewart and Bert Olmstead.

In other Saturday games, Boston edged Detroit 2-1 and Montreal defeated Chicago, 5-1.

BALTIMORE (A)—Lee MacPail takes over today as general manager of the Baltimore Orioles.

The 41-year-old baseball executive was serving as director of player personnel for the New York Yankees when he agreed Nov. 5 to take the Oriole job. He is the son of Larry MacPhail, former owner of the Yanks.

Paul Richards, who held the dual role as manager-general manager for four years, will devote his time to the playing field under the new setup.

Composer Irving Berlin was born in Teanum, Russia.

LEHIGH AND LAFAYETTE IN TIE SATURDAY

By THE ASSOCIATED PRESS
Pennsylvania colleges turned to tradition last Saturday as most of them concluded their 1958 football schedules.

Only the Pitt-Penn State and Penn-Cornell perennials remain. The daddy of traditional games — the Lehigh-Lafayette rivalry — ended in a 14-14 tie.

Host Lafayette dominated the first half in the 94th encounter of the two colleges, but the Engineers took over after the intermission. The Leopards' offense gained 255 yards, one more than Lehigh's.

61-Game Series Ends
A 61-game series ended at Lancaster as Gettysburg's Bullets mowed down Franklin and Marshall's Diplomats 32-13. Behind 13-6 in the third period Gettysburg scored three times within five minutes.

Two of the touchdowns came from George Greiner's 97-yard kickoff return and Dick Davidcock interception of a pass and 70-yard touchdown run.

F. & M. having abolished football scholarships, dropped the Bullets from future grid schedules because it considers Gettysburg too strong.

Battle Of Quakers
In the battle of the Quakers, Haverford whipped Swarthmore 28-0 for the biggest margin in this traditional series in 60 years. Haverford won 42-6 in 1896.

And Howard defeated Lincoln 40-0 for the most decisive victory since 1920 in the 53rd game of their series.

Temple and Ursinus closed out their seasons without a win. Temple dropped a 34-6 game to the Dutchmen of Hofstra College. Ursinus was walloped by Dickinson by the same 34-6 score.

Villanova Loses
Tommy Olivo, a freshman half-back, took a reverse on a punt return, eluded three Scranton defenders in the end zone and raced 101 yards for the first of his two touchdowns as Albright defeated Scranton 30-14. Minutes later Olivo caught a 27-yard touchdown pass.

In other games, the Quantic Marines defeated Villanova 19-13, but the Wildcats wound up with a 6-4 record for Coach Frank Reagan's best season since he took charge in 1954; Buffalo, trying for a bowl bid, routed Bucknell 38-0; Moravian surprised Muhlenberg 30-20 in a series renewed for the first time since 1946; Trenton Teachers overwhelmed a favored but erring National Aggies' team 40-0 and Hampden - Sydney came from two touchdowns behind for a 24-18 victory over Pennsylvania Military College.

UNITAS LEADS COLTS TO WIN OVER L. A. RAMS

By JIM KENSIL
Associated Press Sports Writer

Johnny Unitas, a Colt with a 43 for a passing arm, is healthy again.

He proved it Sunday, shooting down the title bid of the Los Angeles Rams and passing Baltimore to a 34-7 victory. It was the Colts' eighth triumph in nine National Football League games. Baltimore now leads the Western Conference by two games with only three to play.

And Bobby Mitchell, Paul Brown's young speedster, is zooming toward acclaim as pro football's Rookie of the Year.

98-Yard Run
He looked it Sunday, shaking loose for a 98-yard touchdown run on the opening kickoff, then coming back in the same period with a 69-yard score on a punt return as the Cleveland Browns whipped the Philadelphia Eagles 28-14. Cleveland, with a 7-2 record, leads the Eastern Conference by one game with three remaining.

The New York Giants kept a game behind Cleveland with a 30-0 victory over the Washington Redskins, and the Pittsburgh Steelers, another game to the rear, hung on to the Giants' tail with a 27-20 triumph over the Chicago Cardinals.

In the West, the Chicago Bears took over sole possession of second place by beating the Detroit Lions 20-7 while Los Angeles faltered. The Lions' defeat eliminated the defending world champions from title consideration. The San Francisco 49ers moved past them into fourth place with a 33-12 victory over the last-place Green Bay Packers.

22 Straight Games
Unitas, who suffered two cracked ribs in the Green Bay game three weeks ago, lit that spark the first time he passed. Dodging tackles behind scrimmage at his own 42, he hit speedy receiver Lennie Moore on the Ram 18 and the ex-Penn State halfback kept going for the score. The play gave Unitas 22 straight NFL games in which he has passed for at least one TD. The record is 23.

It was Unitas' 13th scoring pass of the season, and he later made it 14 by hitting Jim Mutscheller with an 12-yard TD toss in the Colts' 21-point fourth period. In that same period, Unitas scored on a one-yard plunge. He passed for 218 yards over-all, connecting on 14 of 20.

At least 20 people were killed accidentally in Pennsylvania over the weekend, 13 of them on the highways.

Three children and teen-agers were killed in shooting accidents, another in a 30 foot fall into a lime pit during a camping trip, and still another when a concrete slab fell on him while he was trying to dig a cave.

Two men were electrocuted by a high tension wire while trying to move a TV antenna.

Four of the traffic accidents took two lives apiece.

SOLVES OLD SLAYING OF HIS FATHER

CRESTVIEW, Fla. (AP)—Sheriff Ray Wilson's probe of his father's 18-year-old slaying has ended in conviction of two Crestview brothers.

The Okaloosa County officer was a 12-year-old boy when a shotgun blast fatally wounded Crestview Police Chief Lester Wilson. The boy grew up, became sheriff two years ago and launched a new investigation that reached out as far as Texas and North Carolina for witnesses.

A Circuit Court jury Sunday found Jesse Cayson, 56, and Cayson's brother Doyle, 51, guilty of first degree murder in the 1940 killing. It recommended mercy, which means sentences of life imprisonment for both men.

William Dorcas Brown, 49, accused with the Caysons, was acquitted.

A prosecution witness, Mrs. Mattie Lee Taylor Boeck of San Antonio, Tex., testified she saw the three defendants in a cafe the night of the slaying and later saw them follow Wilson in a car with lights off.

Mrs. Boeck said she was beaten up later that night by an unidentified assailant who threatened worse "if you don't forget what you saw tonight."

Another prosecution witness, Mrs. Marjorie King of Rocky Mount, N.C., said she heard three men urge Jesse Cayson to go to the state mental hospital at Chatham because they had heard he was going around the county saying he had shot Wilson.

Cayson testified he was sent to the hospital in 1943 because he was "too full of whisky."

Both Caysons and Brown contended they were elsewhere when Wilson was killed.

MAHANAOY CITY WIN TITLE ON 10-1 SEASON

By FRED WALTERS

HARRISBURG (AP)—East Penn football conference fans woke up with a shock today to find Mahanoy City declared the unofficial champions of the conference Southern Division.

Mahanoy City came from 13 points behind to whip Mahanoy Twp. Saturday night, 20-13, and close out its season with a 10-1 log.

Although the conference doesn't meet until Saturday to officially proclaim its 1958 division winners to meet in the conference title game Dec. 6, unofficial projections of possible ratings, including anticipated Thanksgiving Day results show Mahanoy City has its division clinched.

Arguments Ahead

Following in order in the latest ratings are Shenandoah, Mount Carmel and Shamokin. It was one of these three that everyone expected to win the title. But Mount Carmel was upset on successive Saturdays by Shenandoah and by Sunbury and Shenandoah in turn was upset by Mahanoy City a week ago. And Shamokin — the pre-season favorite — although unbeaten in seven conference games, can't pick up enough points if it beats Mount Carmel Thursday to catch Mahanoy City.

The long winter bull sessions in the anthracite area are bound to include some heated wrangles over Mahanoy City's claim to be best in the area.

What makes the Mahanoy City title so hard for some football buffs in the area to accept is the fact of its 40-6 trouncing by Mount Carmel early in the season.

Shamokin's rating was dragged down because the teams it has played have been having unexpectedly poor seasons which work against a high rating for the Greyhounds.

Nineteen members of Brownie Troop 57 met Friday afternoon at Christ Lutheran Church. The committee for the day included Barbara Bulleit, Barbara Collins, Brenda Crawford and Christine Dick, who opened the meeting with roll call, collection of dues and the game, "Pass the Hot Potato." Using pieces of terry cloth to make holders for leftover soap, the girls completed their soap bag project.

Mrs. Rex Maddox, Mrs. John Eyer, and Miss Leila Tharp furnished and served birthday cake and ice cream in honor of Mrs. Monroe J. Dellinger's birthday.

The troop will not meet this week due to Thanksgiving holidays.

Brownie Troop 32, Fairfield, met Thursday afternoon at the school hall with 24 members present. The formal opening was conducted by Jean Reindollar with Susie Sanders and Rita Myers serving as flag bearers and Betsey Neely and Georgia Fissel, the color guards. Dues and roll call were taken by Elizabeth Dick. The committee in charge of activities was Linda Ickes.

World Briefs

ACCRA, Ghana (AP) — The premiers of Guinea and Ghana, Africa's two newest Negro nations, have agreed to merge their countries as the first step toward a union of West African states.

The agreement by Premiers Kwame Nkrumah of Ghana and Sekou Touré of Guinea is subject to ratification by their national assemblies.

Other West African states were invited to join the union. The likeliest prospect appeared to be Nigeria, which the British have agreed to make independent Oct. 1, 1960.

Guinea won independence from France seven weeks ago. Ghana attained independence from Britain in 1957 and became a republic within the Commonwealth.

BELGRADE, Yugoslavia (AP) — President Tito lashed out in a new oral assault on the Moscow bloc Sunday and declared the West was more realistic than the Communists in relations with Yugoslavia.

"We agree often with the Soviet Union on foreign policy issues but the West does not consider that

we should be attacked for that. They somehow look on us more realistically than those in the East," he told a mass meeting.

BONN, Germany (AP) — West Germany's plea for a tough policy toward the Soviet Union on Berlin is gaining acceptance by the West sources said today.

They said that the government of Chancellor Konrad Adenauer is more than ever convinced it is necessary to get tough to counter threatened moves against the four-power status of Berlin.

Informants last week said Bonn told the Allies they should be prepared to go in with tanks and fighter planes if necessary to preserve their rights to free access to Berlin across the 110 intervening miles of Communist-ruled territory.

AIX EN PROVENCE, France (AP) — Two missing portraits by Van Dyck showed up neatly wrapped at the Beaux Arts Museum today with a little note saying they had been taken to win a bet.

The two postcard-size old masters, worth \$14,000, disappeared Saturday. They were of Dutch painters Van Diepenbeek and Rieckaert. The janitor of the museum found them on the outside ledge of one of the building's windows.

TUNIS (AP) — Bad feeling between the governments of Tunisia and the United Arab Republic increased today after Tunisia's arrest of several Egyptian officers charged with trying to stir up Algerian rebels against their own leaders.

President Habib Bourguiba said in a speech at Gabes Sunday that Tunisian police made the arrests. But he gave no details as to the number arrested, where they were being held or the purpose of their alleged activities.

Tunisia and the U.A.R. are rich-

vals to influence the new Algerian government - in-exile proclaimed in Cairo.

HONG KONG (AP) — Communist press reports today said the re-

placement of Gen. Su Yu by Gen. Huang Ko Cheng as chief of staff of the Chinese Communist armed forces was due to Su's long illness, not to any dispute in the army.

Local Nationalist sources claim Su's replacement was followed by a general purge of senior Red army officers in which 80 top generals were knocked down to privates. But Communist press re-

ports said the generals are serving only a short period as privates to get better acquainted with the lower ranks.

LONDON (AP) — One of

Britain's leading nuclear physicists came home from Moscow today and said Soviet scientists seeking to harness the power of the hydrogen bomb are at about the same stage as the West's but

moving faster. Sir John Cockcroft, director of the British atomic energy research station at Harwell, spent a week in the Soviet Union studying their monuclear work there.

Union Reluctantly Strikes TWA; 7,000 Mechanics Quit

KANSAS CITY, Mo. (AP)—The worldwide operations of Trans World Airlines, the nation's fourth largest air line, were at a standstill today as the result of a strike by 7,000 union mechanics.

The mechanics walked off the job—some of them reluctantly—Friday. The company said it would furlough, without pay, most of its 12,000 other employees. Flights in progress were allowed to continue to their destinations, but no new flights were started.

The TWA walkout began as other union mechanics voted to end a 37-day strike against Capital Airlines, which operates east of the Mississippi River. Capital said it would resume its flights Sunday.

Second To Agree

Capital was the second air line to reach agreement with the International Assn. of Mechanists. Northwest settled with the IAM last Monday. Besides TWA, the union is engaged in contract disputes with Eastern and Northeast. The latter two have not been struck.

Another air line—American—is threatened with a strike by the Air Line Pilots Assn. An ALPA spokesman said in Chicago that a tentative strike deadline of 11:59 p.m. Tuesday had been set for 1,541 pilots employed by American.

Want Chairman Ousted

As the TWA mechanics left their jobs, there was evidence that some didn't have their hearts in the strike. Fourteen of them, employed at the TWA overhaul base here, asked the union to remove Cliff Miller, chairman of the union's District 142, which embraces TWA mechanics. A spokesman said they asked the international to name a trustee to take over TWA negotiations from Miller. The spokesman said the request was made in a telephone call to Al J. Hayes, international president, in Washington.

In a recent election, 63.8 per cent of the members voted against the TWA's latest contract proposal, the union said. But an uniden-

tified union member was quoted by the Kansas City Star as saying the balloting violated secrecy provisions of the union constitution. He said voters were required to write their names and addresses on the top half of the ballots, and mark their votes for or against the company proposal on the bottom half. Only the bottom half was placed in the ballot box, he was quoted as saying, but the two halves bore identical numbers and the top had to be turned in.

Wide Vehicles Banned From Pike

HARRISBURG — All vehicles over eight feet wide will be banned from the Pennsylvania Turnpike over the Thanksgiving Day holidays.

Turnpike Safety Director Harold S. Roberts pointed out that turnpike regulations prohibit oversize vehicles on the toll road between sundown Tuesday, November 25, and dawn Monday, December 1.

Vehicles affected by the ban include some trucks such as those with extending loads and flatbed trailers, and large house trailers. The regulations will not affect normal trucking movements, Roberts said. Only vehicles in excess of eight feet wide, 13.5 feet high and 70 feet long are prohibited during the peak traffic holiday periods.

JACKSON, Tenn. (AP) — Mrs. Casey Jones, 92, widow of the greatest railroader in American folklore, died Friday in a nursing home. She suffered a stroke earlier this month and never rallied. SAYS CHURCH PREPARED FOR PEACE ACTION

CLEVELAND (AP)—Pronouncements of the 5th World Order Study Conference, which came out for disarmament and recognition of Red China, "give evidence that the churches are ready to take steps forward in a bold approach to world peace."

That is the view of Rev. Edwin T. Dahlberg of St. Louis, president of the National Council of Churches, which sponsored the conference here.

The Rev. Mr. Dahlberg commented after the four-day conference wound up Friday:

"It is to be hoped that our government and the United Nations will take to heart the message and findings of this conference."

Message To Churches

The conference message was directed, however, not to the government but to the churches making up the National Council. Delegates to the conference represented 33 Protestant and orthodox communions.

The "message to the churches" urged that steps "be taken toward the inclusion of the Peoples Republic of China (Red China) in the United Nations and for its recognition by our government." Recognition does not imply approval, the statement of policy declared.

The 5,000-word document, approved unanimously by the 600 delegates in a voice vote, calls on every Christian "to seize the initiative in the prevention of war and the achievement of peace in a world of intercontinental ballistics, thermonuclear weapons and platforms in outer space for missile launching sites."

"Always On Brink"

The message said the development of modern weapons puts us "always on the brink of annihilation."

The conference assembly took issue with one of its sectional groups which, in a separate report, called for abolishment of military conscription and renounced the concept of nuclear retaliation as a deterrent to war.

The conference adopted a supplementary resolution saying:

"Such peace as there is today, precarious as it may be, rests to some measure on the capability for nuclear retaliation. The world's hope of achieving international agreements leading to-

West Will Push Own Space Proposal After Talks Fail

By TOM HOGE

UNITED NATIONS, N.Y. (AP)—The United States and its supporters abandoned attempts at outer space negotiations with the Russians and pushed a take-it-or-leave-it Saturday.

The 20 associated nations decided to act on their own after talks broke down between the United States and Russia over makeup of a committee to make recommendations for U.N. supervision of peaceful exploration of outer space.

The group, which already had put a space resolution before the U.N. General Assembly's Political Committee, decided to submit a new draft without further talks with the Soviets. The revised draft was handed in Friday night.

Want Study Group

The Western plan calls for an

ward universal disarmament may similarly rest in part on that capability."

Human Rights

Separate resolutions dealing primarily with human rights were adopted.

The first of these called on government leaders at national and state levels to "give vigorous enforcement to the Supreme Court decisions including the immediate calling of a conference of national leadership by the President to focus support for the law-abiding forces throughout the nation."

The revised 20-nation resolution incorporated these features of the Soviet resolution:

1. The desirability of establishing a permanent international body to promote space research.

VOTE ON CORN PROGRAM TO BE TUESDAY

By RICHARD L. GRAVES
HARRISBURG (AP)—Some 55,000 Pennsylvania corn growers in 31 counties are eligible to vote Tuesday in a referendum to decide what kind of price support program they want for their 1959 crop.

Under the U.S. agricultural act of 1958 the corn producers in Pennsylvania's 31 so-called commercial corn counties must choose one of two price support plans. A simple majority of those voting will decide which program goes into effect.

One choice would continue the present corn price support program. Under that plan corn acreage allotments are set in the commercial corn counties. Farmers staying within their allotment are eligible for price supports at 75 and 90 per cent of parity. There is no penalty for over-planting as their is for wheat.

Alternative
The other choice—the new program—would eliminate acreage allotments and the designated "commercial" corn producing areas. Price supports would be at the level of 90 per cent of the corn price received by farmers in the three preceding years, but not less than 65 per cent of parity.

Parity is the ratio of prices a farmer must pay for what he buys to the prices he receives for what he sells.

Polling places and hours of opening and closing were designated by each county agricultural stabilization and conservation committee.

Started In 1938

Those eligible to vote are farmers who produced corn, or had an interest in a crop in the commercial area. Also eligible are farmers who had a 1958 corn allotment, but produced no corn, or planted corn and didn't harvest it, or placed their allotment in the soil bank.

Acreage allotments have been used for corn since 1938, except in the war years. They have been in effect continuously since 1954. Because of special factors in corn marketing, marketing quotas have never been applied, as they have been for wheat.

The size of the acreage allotments in commercial areas is determined under a formula based on the supply of corn available. Unlike wheat, which has a national "floor" minimum acreage below which allotments may not be cut, corn can keep going down as the supply goes up.

Allotment Cut
Nationally, the corn crop allotment has been cut from nearly 50 million acres in 1955 to about 39 million acres this year.

The new program has been designated number one in the referendum and the old program has been designated number two.

Under the new program, the national average price support level would probably be between \$1.12 and \$1.15 a bushel for all corn.

Under the old program, the national average price support would probably be \$1.24 to \$1.27 a bushel available only on corn produced in the so-called commercial areas on allotted ground.

The Pennsylvania counties designated commercial under the corn allotment program: Adams, Berks, Blair, Bucks, Carbon, Centre, Chester, Clinton, Columbia, Cumberland, Dauphin, Franklin, Fulton, Huntingdon, Juniata, Lancaster, Lebanon, Lehigh, Lycoming, Mifflin, Monroe, Montgomery, Montour, Northampton, Northumberland, Perry, Schuylkill, Snyder, Union and York.

It really pays to rinse raisins thoroughly in hot water and drain before adding them to muffins because they'll taste plump and juicy in the baked product, and won't withdraw any moisture from the batter.

Down Memory Lane In Town

This is a story not of the famous generals who made history in 1863 or of the famous general-president who has brought renewed fame to Gettysburg in recent years. These are the recollections of a former resident of say between 1907 and late 1921 when he left his home town to spend his life in a large city. These are fond memories of a happy boyhood, of some of the people with whom he associated and a few incidents which stand out in his recollections. Apologies are made in advance for those inadvertently overlooked. No research was done. It is all from memory.

By BILL DUNCAN

Transportation — George Eberhart had the first automobile in town, my father the second. The 5:55 a.m. on the Reading for Harrisburg, Conductor Garvin and Sam Weiser, Tommy, the brakeman on the Western Maryland, Charley Myers, distinguished looking, veteran employee of the road and an authority on college sports. The "Western Maryland Flier" a deluxe train which ran from Baltimore via Gettysburg westward and on which I had my first sleeper ride in 1916.

Faculty Bulwarks

Some bulwarks of the college faculty — Dr. Breidenbaugh, Poppy Nixon, Dean Bickle "noblest Roman of them all," "Doc" Stahle, Dr. Sanders, Bill Dutchy Grimm and Reds Parsons.

Greatest College Athlete — Polly Sieber. Another great athlete who died far too young — Bill Mahaffie.

The vicious class fight in the square in front of the Hotel Gettysburg in 1910 — the sophomore class, 1912, led by Big Emfield charged for the hotel where their banquet would be held. They were met head on by Cal Hartman slugged with a blackjack. This fight played a large part in such encounters eventually passing from the scene.

The Adams County Bar — Clarence Sheely father of the judge; my own father; "Colonel" Williams, Billy Hersh, John Keith, Don Swope, Sam Neely, Jake Butt, William Arch McClean, George Walters, Billy Meals.

Plank, Town Hero

Town Hero — Eddie Plank, then and remaining baseball's greatest left-hand pitcher. The Holtzworth brothers, Doc Markley and dozens of others following every game, by telegraph or newspaper, Eddie pitched. The gloom when he lost a tough one to Bill James of the Braves in the 1914 World Series.

Some of the boys around the town — Chic Myers, Johnny Slaybaugh, Pat Power, Hod Smiley, John Butt, Bill Timmins.

Boyhood ball games on lot next to our house on Lincoln Avenue (now the Phi Delta Theta House) — Putty Menchey, Roger Klingner, Bill Troxell, Ben Hillman, Flotey Musser, Howard Diehl, John Stahle.

The Sunday School League — Pat Rosensteel, Charley Kimple, Charley Stock, Bobby Eckenrode, Paul Reid Pontius, Don Ikeler, "Doc" Stahle, Dr. Sanders, Bill Dutchy Grimm and Reds Parsons.

The clergy — My pastor and grandfather, T. J. Barkley, still preaching at 82. The fluent Dr. Joe Baker. The understanding Father Stock.

Old Swimming Holes

The old swimming holes — Hereter's Dam, Bream's Dam, Black Hole.

A few of many boyhood pals — Bill Troxell, Jake Rudisill, Lawrence Sheads, Howard Diehl, MacKnight Black, Reds Epley, Henry Bream and later Jimmie Bream, Joe Fritchey and Charles and John Butt, Gene Topper and Davey Yohe.

American Legion — Helping to found the Albert Lentz Post, Percy Eichelberger, John Hartman, Dorsey Rebert, Vincent Florence. The early meetings above the drug store on the corner. The "human fly" scales the First National Bank building while throng watches. The "fly" awes the post commander (me) with a display of \$100 bills.

Newspapermen — Phil Bickle gets out the daily Times by himself. Danny Skelly working in the early morning hours on the Star and Sentinel. Later, Henry Scharf a summer reporter on The Times.

Town Ball Club

The town ball team in 1914 — Ira Plank, Danny Skelly, Hub Allison, Muff Oyler, Kidney McDonnell, Umpire Jackie Tawney. Chief Town Rooter Allie Plank.

Mailman Nerty Miller eating chocolate buds.

Some of the boys gather on the square at night to sing "When The Leaves Turn Red And Fall" — Whitley Woodward, Ted Miller, Cal Hartman, Morris Miller, Monk Menchey, Ben Carter, Recollections at Random —

Hop Lee and his laundry — John Warner selling hot pies on the college campus — Shorty Hughes — Leander Martin — Keller Rocky, a college boy little realizing that in World War Two he would lead the Fifth Marine Division in the bloody and decisive Battle of Iwo Jima.

Now the scene changes to Cooperstown, N. Y., a few summers ago where I accompanied Al Simmons for induction into Baseball's Hall of Fame with Dizzy Dean. I start to reminisce with Al, the Deans and other famous ballplayers. I catch myself and say to Mrs. Dean: "It's a bad sign to talk too much of the past."

"Don't be ashamed of memories, Bill," said the wife of the famous pitcher. "At our age nothing can be more precious than memories." And that's why this was written.

Editor's Note — C. William (Bill) Duncan, as the above indicates, is a native of Gettysburg. He left here October 8, 1921, to work and live in Philadelphia. There he worked 16 years for the old Evening Public Ledger as an interviewer-columnist; 12 years on the news staff of The Inquirer; and was at one time a syndicate sports writer for the old Public Ledger's Sunday syndicate. For the last five baseball seasons he was WFIL-TV's "Grandstand Manager" and also, for two years, commented on "Sports Digest" every Wednesday night for the same station. He is currently on the news staff of the Camden, N. J., Courier-Post.

MORE GOLF FOR IKE TODAY; IT'S OK WITH MAMIE

AUGUSTA, Ga. (AP) — It's more golf for President Eisenhower today and it's quite all right with his wife.

The First Lady gave the assurance publicly Sunday on the steps of the Reid Memorial Presbyterian Church.

As she and the vacationing President were leaving after morning services, the pastor, Dr. Charles H. Gibboney, noted the beautiful autumn weather and remarked to Mrs. Eisenhower: "This is the kind of weather that makes it hard to keep the President home and off the golf course."

Golf After Church

"I don't want to keep him off," the First Lady replied, flashing a smile. "I want him to be there."

And right there he was just a bit later, getting in another 18 holes at the Augusta National Golf Club course.

Eisenhower looked as though his vacation is proving to be a tonic. He was ruddy after hours in the warm sun since arriving from Washington last Thursday for about a 10-day Thanksgiving holiday.

He was in a cheerful mood in remarking he has had "as nice a stretch of weather I've ever seen here" in 21 visits since he was elected in 1952.

'Foods With A Flair': Main Dish Magic

Saturdays are busy days in most homes. Dad is usually occupied with odd jobs about the house and yard. There are weekend errands to be run and the children are always busy with a dozen and one energetic activities—each one different!

But, amid so many different diversions there's one thing sure the call to lunch.

When your mid-day meal is planned around this Vienna-style Sausage-Cabbage Casserole, you won't have to encourage anyone to come to the table: for all will enjoy this savory, delicious main dish. You'll appreciate the fact that it's quick, too . . . and full of the protein, vitamins and minerals so necessary to your family's health.

Canned meats such as these Vienna-style sausages have a definite place on your kitchen shelf. They're invaluable aids to preparing quick and easy meals, and delightful in sandwiches, salads and casserole dishes. When it's party time these meats are often favored as ingredients for appetizers and snacks.

U. S. PREPARED
TO PUSH PLAN
THROUGH U. N.

UNITED NATIONS, N.Y. (AP)—The United States and 19 associated countries prepared today to push through their outer-space resolution with or without Soviet approval.

Western diplomats predicted a handsome majority of the U.N.

enna-style sausages are needed to prepare this Vienna-style Sausage-Cabbage Casserole. First, cut 1 can of the sausages into ½-inch pieces, add 2 quarts of cabbage. Next, melt ¼ cup of butter or margarine and stir in ¼ cup of flour. Add 2 cups of milk and cook over low heat, stirring constantly, until the mixture thickens. Add 1 teaspoon salt, 1/8 teaspoon pepper, ¼ cup of chopped green pepper and 3/4 cup of grated American cheese.

Now, arrange 1 quart of the shredded cabbage in the bottom of a greased 2-quart baking dish. Add the cut sausage and pour over half of the cheese sauce. Add the second quart of shredded cabbage and arrange the other can of sausages on top. Cover with remaining cheese sauce. Bake in a moderate oven (350° F.) for 30 minutes. This recipe serves 6 persons.

General Assembly's Political Committee would approve the U.S. resolution creating a committee to start study of peaceful use of outer space.

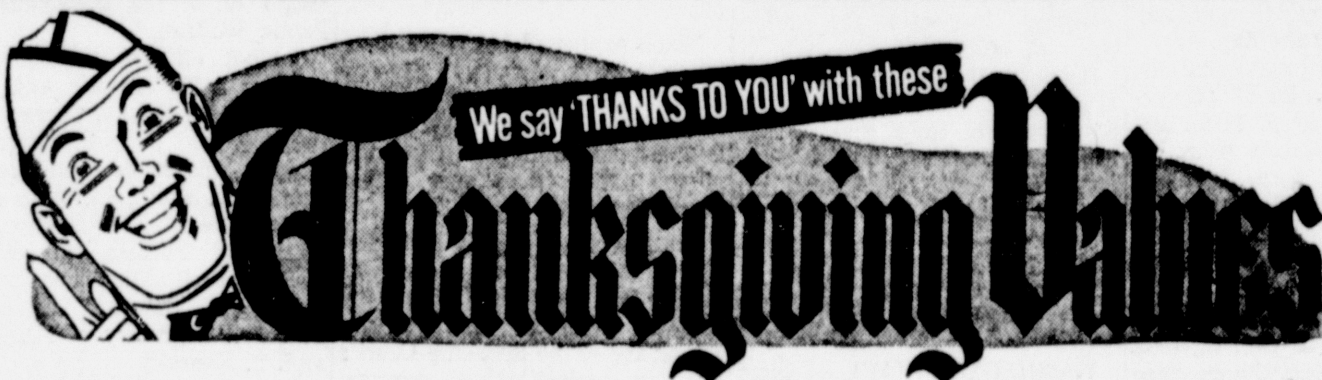

Some Asians and Africans expressed doubt that the Russians would sit on the committee, which would report back to the Assembly next year on what the U.N. should do to promote international cooperation in the study and peaceful use of outer space.

The committee would consist of 18 countries—three Communist, three neutralist and 12 pro-Western. Soviet Deputy Foreign Minister Valerian A. Zorin has demanded that Communist and neutralist countries together should equal the total of pro-Western countries.

A rival Soviet resolution would establish an 11-nation committee directed to draft a program and rules for a permanent international committee for space research. It would consist of four Communist countries, three neutrals and four Westerners.

The United States and its co-sponsors had been waiting since Friday night for Soviet reaction to the revised version of their original Nov. 13 resolution. They submitted the new draft after Zorin and U.S. Delegate Henry Cabot Lodge failed in private talks to agree on composition of the proposed special committee—the main stumbling block to preparation of a single resolution that could pass unanimously.

POPE WILL BE 77 ON TUESDAY

VATICAN CITY (AP) — Pope John XXIII is 77 Tuesday. He may have to be reminded it's his birthday, Vatican aides say.

He has been too busy in his first month as pontiff to make any personal plans for the day. His three brothers and one sister, last of a family of 12 children, will not be here. They, and hundreds of townsmen from his native village of Sotto il Monte and his province of Bergamo, are coming down by special train Dec. 6, instead, to give him a golden crown.

John XXIII was older, at the time of his election Oct. 23, than any other newly elected pope since Clement XII in 1730. Clement was 88 when he became pontiff.

But with an energy that belies his years, sturdy Pope John has held to a work schedule that allows only six hours sleep a night.

Redding.
The next meeting will be the annual covered dish supper and Christmas party for the members Wednesday, December 17, when each member will take a covered dish, her own table service and a \$1 gift for exchange. The committee on arrangements consists of Miss Marie Budde, Miss Evelyn C. Altoff, Mrs. George A. Kress Sr., Mrs. Regina Arter, Mrs. Conrad C. Hull, Mrs. John Jacobs, Mrs. Roger Orndorff, Mrs. Lester Redding, Mrs. John R. Rudisill, Mrs. P. Emory Weaver, Mrs. Bernard G. Kebil and Mrs. Clarence J. Krichen Jr.

The Rev. Fr. Boyle made an appeal to the women for good literature which he will take to Camp Hill, Catholic magazines with stories, or magazines of science, nature, etc. They may be left at the rectory. The meeting closed with prayer. Refreshments were served by the evening's committee, of which Mrs. Z. W. Sanders was chairman.

PHILADELPHIA (AP) — Delicatessen owner Albert C. Williams, 50, is a Western fan. He likes to practice the fast draw in the open spaces of suburban Delaware County.

Sunday he packed his shooting iron and took off. But he was quicker on the trigger than he was on the draw and the result was a .22 slug in his shoe.

Little Falls Creek burst into flame after blazing oil from 12 fuel storage tanks spilled into it.

Firemen, who extinguished the blaze early today, had to fight through the thick black smoke that clogged the area on the northwest edge of Washington. Two firemen were hurt slightly.

The oil company that owned the tanks took the entire loss. No residential property was damaged.

NIXON SENDS HAYS REGRETS

WASHINGTON (AP) — Vice President Nixon says Rep. Brooks Hays (D-Ark.), defeated by a strong segregationist, was a "victim of demagoguery and prejudice."

Nixon expressed his regret in a letter to Hays, saying: "I can say without qualification that there was no more tragic result of this last election, from the standpoint of the nation, than your defeat in Arkansas."

Hays, who says he is a moderate on the segregation issue, was beaten for re-election Nov. 4 by Dr. Dale Alford, an avowed strong foe of the Supreme Court's decision against school segregation.

Alford ran as a write-in candidate in winning the Little Rock district Hays has represented for 16 years.

The vice president said in part: "When statesmanship of the type you represent in such an exemplary way becomes the victim of demagoguery and prejudice, it is time for men of good will in both of our major parties in all sections of the country to exert more positive leadership in developing the public understanding on the issue of civil rights which is essential if America is to continue to be a nation of responsible laws rather than irresponsible men."

PA. DEMOCRATS GATHER TODAY TO LAY PLANS

HARRISBURG (AP) — Leading Democrats gathered in the state capital today for two days of meetings that are expected to shape the course of the state administration for the next four years.

Leading the contingent of arrivals to the city was Gov.-elect David L. Lawrence, presently mayor of Pittsburgh. Governor Leader Democratic State Chairman Joseph M. Barr, Philadelphia City Chairman William J. Green Jr. and other prominent party leaders were to join him in the discussions.

A spokesman for Lawrence said the governor-elect "will discuss his program, budget and a lot of other matters, in all probability."

Cabinet Jobs On List
Those other matters are expected to include cabinet appointments, possibly an appointment to fill a state Supreme Court vacancy and other appointments to key offices on commissions and authorities that play a vital role in Keystone State affairs.

Lawrence's spokesman indicated that several present members of Gov. Leader's Cabinet will be retained. Leader himself, so goes the talk around the Capitol, may take a position in the Cabinet, either as head of the Department of Commerce or of the Department of Public Welfare.

Cabinet officers mentioned as possible holdovers are Adj. Gen. A. J. Drexel Biddle, Secretary of Property and Supplies Andrew J. Bradley, insurance Commissioner Francis R. Smith, Secretary of the Commonwealth John S. Rice, Secretary of Forests and Waters Maurice K. Goddard, Secretary of Labor and Industry William L. Batt Jr., Secretary of Mines Joseph T. Kennedy.

BAIRD PUPPETS TO GIVE SHOW NEXT SUNDAY

NEW YORK (AP) — Puppets, so popular in the early years of television, are much in evidence on the home screen this season.

Next Sunday, when "Art Carney Meets Peter and the Wolf" in an hour special on ABC-TV (5 p.m. EST), the Baird puppets will make up the complete cast except for Carney. Perry Como has been employing Kukla, Fran and Ollie on his NBC-TV program. Pat Boone is presenting Shari Lewis and her puppets on his ABC-TV show.

Miss Lewis, who conducts a popular morning local program on NBC-TV featuring a variety of puppet characters, was saying the other day that "P.T.S. DON'T eat much." She meant, of course, that they offer a good show for a relatively small budget.

Vigor, Not Violence
An interesting puppet, she explained, "is something unlikely existing in a human way." Furthermore, she theorizes that we're living in an age beguiled by the miniature. Smaller cars and smaller dogs, for example, are becoming increasingly popular. So isn't it possible that puppets, those miniature humans, are in a trend of popular interest?

Miss Lewis pointed out another interesting thing about a puppet: He (or she) can get away with saying and doing things on television that a human cannot. It's banal, for instance, when a man swoons upon being introduced to a pretty girl, but a puppet can swoon and nearly everybody is amused.

In her puppet shows Miss Lewis says she never strives for gags, "but if it's true humor we do it."

500 MILLION SPENT IN '58 IN GIVEAWAYS

By SAM DAWSON
AP Business News Analyst

NEW YORK (AP) — This contest loving nation is spending some 500 million dollars in 1958 staging the giveaway form of sales promotion.

Winners will split prizes valued at 40 million dollars. More than 600 firms will tally up the results to see just how much sales have been boosted.

The number of contests this year is estimated at 10 per cent more than last year. Part of the gain is credited to the step up in sales competition because of the receding recession. Also, cash prizes have more lure in poor times than in good.

Say Consumers Like Them
But part of the increase is believed due to the fact that consumers like contests and expect them. And they especially like

Hold Father After Daughter's Death

NEW YORK (AP)—Daniel Taylor, 38, has been charged with felonious assault after his 13-year-old stepdaughter plunged to her death from a sixth-floor apartment when he threatened to punish her.

Police said Taylor, a Negro, was about to whip the girl, Margaret White, with a strap Saturday night after she had disobeyed her mother, Dorothy Taylor, and had stayed out all day.

"If you take another step, I'll jump," the girl screamed as she perched on the ledge of an open window in their apartment.

Taylor said he didn't believe her. He moved forward, and Margaret jumped, he said. The assault charge resulted from his slapping the girl before she threatened to jump.

EVALUATION OF MILITARY AID IS ASKED

AUGUSTA, Ga. (AP)—President Eisenhower today named a committee of former government officials to evaluate the U.S. military aid program in terms of how to strengthen national security.

He announced the appointment of William H. Draper Jr., a Republican who was undersecretary of the Army in the Truman administration, to head the nine-member committee.

In a "Dear Bill" letter to Draper, the President said: "What is needed from your committee is a forthright evaluation of the extent to which future military assistance can, by strengthening our friends and allies, advance U.S. national security and foreign policy interests."

In Economy Drive
Appointment of the study committee comes in the midst of an Eisenhower drive to cut government spending.

Members of the committee in addition to Draper are: Gen. Alfred M. Gruenther (Ret.), former supreme commander of NATO forces in Europe, now president of the American Red Cross; Adm. Arthur W. Radford (Ret.), former chairman of the Joint Chiefs of Staff; James E. Webb, who was undersecretary of state and budget director in the Truman administration;

Other Names
John J. McCloy, U.S. high commissioner for Germany in 1949-53, now board chairman of the Chase Manhattan National Bank in New York; Dillon Anderson, former aide to Eisenhower on national security matters; Marx Leva, former assistant secretary of defense and now a Washington attorney;

George C. McGhee, who in 1951-53 was U.S. commissioner and chief of the American mission for aid to Turkey, and Gen. Joseph T. McNarney (Ret.), commander of U.S. forces in Europe in 1945 and now a director of the General Dynamics Corp.

Named counsel of the new committee was Tracy Voorhees, undersecretary of the Army in 1949-50.

Two Children Killed In Crash

CHAMBERSBURG, Pa. (AP)—Two small children were killed in a head-on collision of two automobiles Sunday night at nearby Dry Run. Four persons were injured in the crash.

The victims were Blance, 3 years, and Robert, 3 months, children of Mr. and Mrs. Melvin Neil, of Dry Run. Their parents were taken to Chambersburg Hospital and listed as in satisfactory condition.

State police said the Neil car, driven by the father, and one driven by Donald Miller, 17, of nearby Concord, collided while rounding a sharp curve.

Miller, a passenger, Bonnie Rosenberry, 17, of Dry Run, were also listed as in satisfactory condition at Chambersburg Hospital.

Bomb Explodes Near School Parking Lot

NEW ORLEANS (AP)—A crude homemade bomb exploded Sunday night in a parking lot beside an Orleans Parish (county) School Board office building.

No one was hurt by the blast, which took place at the spot where Dr. James F. Redmond, superintendent of Orleans parish schools, parks his car.

Redmond was attending a meeting of the Louisiana Teachers Assn. at Alexandria. His office is in another building nearby. Officers had no theory about a motive for the bombing which caused minor damage.

U.S. District Court here has ordered the School Board to desegregate public schools "with all deliberate speed." No definite time has been set for integration.

CROWD LURED TO HOT WATER WELL ON FARM

MONMOUTH, Ill. (AP)—Something even more bothersome than a warm-water well has begun to plague farmer Chalmers Lovelad and his wife, Rachael. It's people.

People by the carloads, out for a drive on a fine autumn day, are eager to "come and look and feel," as he puts it.

Lovelad counted at least 150 visitors Sunday, he said. His wife counted a dozen cars at one time parked along the gravel road which skirts the house.

The object of the curiosity is a 30-foot well which used to give the Lovelads plenty of sparkling cold water. But recently it turned tepid, then warmish and, finally, downright hot. A reading Friday placed the water's temperature at 110 degrees Fahrenheit.

Baffles Chemists

No one knows why—not even the state water survey chemist—but the well gets warmer as the days grow colder.

Lovelad told a reporter that he gets lots of free advice and opinion. Mail from Colorado and California, suggested he might have uranium or zinc or other minerals on his farm-land.

It was also suggested that an underground coal vein near the well might be on fire. That's possible, he conjectured, but then why doesn't another well 40 yards away turn hot too?

About the heavy traffic to and from the farm, Lovelad sighed: "It's just a little bit alarming. Makes me kind of nervous."

Mrs. Lovelad said they toyed with the idea of charging admission.

MAY NEED HIGH PAYROLL LEVY FOR BENEFITS

HARRISBURG (AP)—A nationally recognized unemployment compensation expert said today a payroll tax even higher than the proposed 2.7 per cent ceiling for 1959 may be needed to preserve the solvency of Pennsylvania's Jobless Benefits Fund.

Charles H. West, Washington, director of Unemployment Benefit Advisors, Inc., made the statement in a report to the Pennsylvania State Chamber of Commerce.

He also attacked what he termed "unbusiness-like recordkeeping in the state Unemployment Compensation Fund, which is plumping to a record low because of huge outlays caused by the recession."

Report Being Studied
Arnold L. Edmonds, chamber executive director, said the report is being studied by his organization along with other jobless benefit data. So far, the chamber has not adopted a plan of changes for presentation to the 1959 Legislature.

West noted that the Legislature has increased jobless benefits regularly without revising the 2.7 per cent tax ceiling. The ceiling will take effect next year because the size of the fund fell under 300 million dollars earlier this year and is now down to about 130 millions.

By April 1959, the fund may fall to about 30 millions—just a short step from insolvency.

The big question has been whether imposing the 2.7 per cent tax rate on all of the 197,000 employers paying into the fund would be

enough to meet the drain in benefits. The average tax rate in the past year has been about 2.2 per cent.

"With benefit costs growing year by year, the 2.7 per cent maximum tax rate is not high enough in some years to leave room for a range of rates above and below the average costs," West said.

BEAR SEASON OPENS IN PA. FOR SIX DAYS

HARRISBURG (AP)—Pennsylvania hunters took to the woods today in search of more formidable game as the 1958 bear season opened a six-day run.

The State Game Commission said it expected about 400 of the animals to be killed during the week.

There was little promise, however, that a good snow cover would be available before midweek to help track the bears. Some snow in the central mountains was predicted for Tuesday.

294 Shot Last Year

Legal hours for hunting are 7 a.m. to 5 p.m. daily. Game Commission records showed that last year 294 bears were killed in the six-day season. This was described as a low kill.

"If things work out the way we expect, from the herd and the weather, the kill this year should be around 400," a commission spokesman said.

Most of the bear are located in the north central section of the Commonwealth, with some drifting down into the south central sections and further east.

Pike County still stood as the top prospect for bears this year as it has been for many years past.

The regular small game season will continue through next Saturday and close the end of bear season.

All except wild Turkey will be legal kill during the week. The turkey season ended Saturday.

The regular buck or antlered deer season will begin a two-week run on Dec. 1 until Dec. 13. A special antlerless deer season will be held Dec. 15-16-17.

Farmers Getting Gas Tax Refunds

HARRISBURG (AP)—Practically every Pennsylvania farmer who applied this year for a gasoline tax refund will be paid by the close of business today, State Treasurer Robert F. Kent, says.

Kent, who is also chairman of the Board of Finance and Revenue reported this weekend that \$2,420,334 has been paid to farmers since last July 1, the first legal day to apply for the refund of taxes paid last year.

Out of 30,809 applications received by his office since then, Kent said, only 297 remain to be paid. These, he explained, had required additional correspondence to clarify some small errors.

Under state law, farmers are entitled to a refund of the five-cent-a-gallon state tax on gasoline purchased exclusively for use in production on their farms.

New Demands By Penna. Employees

HARRISBURG (AP)—The Pennsylvania State Employees council was on record today as favoring a two-dollars-a-day wage increase for the 60,000 state employees.

The council also asked, in a re-

Hired Man To Kill Wife Of Patrolman She Loved

GREENSBORO, N.C. (AP)—A 22-year-old social worker is charged with hiring a man to kill the wife of a state highway patrolman she loved. The man she allegedly hired for \$500 turned out to be a police detective.

The intended murder was not committed. The highway patrolman was not implicated.

Barbara Ann Massey, was released under \$1,000 bond after her arrest Saturday.

The warrant for her arrest charged that she solicited Charlotte Detective Richard Ruth "to

solution adopted by the 200 delegates at the close of a two-day session, that state employees be given full civil service protection and various fringe benefits, such as grievance rights, unemployment compensation, bonus pay for overtime, hospitalization and other forms of insurance.

The resolutions were directed to the governor and the State Legislature.

Only about 14,000 state employees now are covered by civil service.

murder one Frances Smith, mother of two children, for \$500.

Sought Killer

Police gave this account: Miss Massey asked a man in Charlotte about two weeks ago to suggest someone for the job of killing Mrs. Smith. The man she asked was a police informer who notified Detective Ruth.

Ruth met Miss Massey Nov. 15. He carried a hidden tape recorder. She gave him a \$500 check.

Police said Miss Massey was not arrested until Sunday, since officials had not decided on the charge to be placed against her.

Charlotte Solicitor (prosecutor) W. H. Scarborough said the charge is a misdemeanor, carrying a maximum sentence of two years.

Outstanding Record
State Highway Patrol Lt. S. L. Willard said Mrs. Smith is the wife of Patrolman Ransom Smith of the Greensboro troop, who resigned from the force Saturday.

Patrol Col. James R. Smith (no relation) said at Raleigh that the trooper "had a splendid record

and had been an outstanding member of the patrol."

As a high school student, Miss Massey won the national Knights of Pythias public speaking contest in St. Louis, Mo. in 1953, and was awarded a \$1,000 scholarship. At Wake Forest College, she was the first girl freshman to make the debating team. After graduation she attended Wake Forest Law School for a year.
